

Attendance/Grading Policy
Media English 2 (LV 1513)
WS 09/10

This course has an attendance requirement: students must attend 75% of all class meetings (= 3 allowed absences for illness, car problems, etc.). Further absences will affect the final grade.

A 15-minute late arrival will count as an absence. Late assignments and presentations will also affect the course grade.

Meeting the attendance requirement and actively participating in giving peer feedback during classmates' presentations is worth 15 points towards the course grade.

11 – 14 classes attended	= 15 pts.
10	= 10
9	= 5
8 or fewer	= 0

Students should also be aware that **any** plagiarism in written assignments – even if the source is given – will mean that **no** points will be given.
